**SCR100000 Permit Number**

The Contractor/Subcontractor, and company, as the case may be, elected to become a Co-Permittee under the NPDES permit issued by the SC Department of Health and Environmental Control (DHEC) to the Owner/Operator for the above-named project by signing the certification statement as required by Part 3.1.D.2 of the NPDES General Permit for Storm Water Discharges (SCR100000).

The Contractor/Subcontractor, and company, as the case may be, understood that by signing such certification, and as Co-Permittee, is thereby legally accountable to DHEC, under the authorities of the CWA and the SC Pollution Control Act, to ensure compliance with the terms and conditions of the Storm Water Pollution Prevention Plan (SWPPP) and the NPDES permit for any professional construction-related services rendered for the above-named project under the authority and direction of the Owner/Operator.

Signature of this release constitutes notice that the Owner/Operator and Co-Permittee collectively agree that all construction-related activities for which Co-Permittee had been contracted to perform for the above-named project have been completed or terminated. Therefore, the Owner/Operator hereby releases and discharges the undersigned as Co-Permittee from further obligations under the SWPPP and permit requirements which were directly related to the Co-Permittee's construction-related activities.
